Without pilot support of the RAMS Club, there would be no Milwaukee County R/C model airplane field. The RAMS Club operates the field in the public interest on behalf of the County. This application entitles you to club membership, which includes monthly meetings, a monthly newsletter, and fellowship among aviation modelers.

The club provides free fixed-wing flight instruction to all persons who hold a Pilot's License for the field. (Separate application & fee required for all pilot's licenses. Call Jim Hatzenbeller, 414-483-1246)
